Forecast for Sunday 03 Jul 2022

Weather: It will be a brighter day with some sunshine and still some showers. The showers will not be as heavy as past few days and passing by quickly leaving dry conditions for much of the time

Chance of cloud-free hill tops above 800m: 70%

Low Cloud and visibility: Generally good visibility with occasional cloud cover, bases about 700 to 800m. Brief interruptions to poorer visibility and lower cloud bases as showers pass by.

Met Office Aberdeen Meteorologist's View
Breezy and feeling cold over higher ridges and summits.

Forecast for Monday 04 Jul 2022
Weather: A lot of dry, bright weather with sunny intervals. There will still be some showers but mostly light and well scattered.

Maximum wind: Strong westerly winds, average speeds of 30mph over higher ridges/summits, gusts 40 to 50mph.

Chance of cloud-free hill tops above 800m: 80%

Low Cloud and visibility: Once again the visibility will be good for much of the time with broken cloud cover, bases about 700 to 800m.

Temperature: **Glens:** 9 Celsius rising to 18 Celsius.
At 800m: Plus 9 Celsius.
Freezing level: 1500m.
